

SOUTHERN ENERGY
MANAGEMENT
ENERGY EFFICIENCY & SOLAR POWER

Southern Energy Management is an energy efficiency & solar power company that started in a living room in Raleigh in 2001. We now have an awesome team of 50 sustainable energy professionals and two offices in NC! We look forward to hearing from you!

What does sustainability mean to you?

Have a vision for a more sustainable world? Think people and businesses are doing enough to create a sustainable future? Let's hear your ideas!

We'll choose the top submissions to display on our website, and one lucky student will win a "Day in the Life" job-shadowing experience with a member of our team!

We're looking for creative, inspiring ideas. There are no rules or limits - just express yourself! Some possibilities include: a 1-2 page essay, photo slideshow, drawing or short video.

send your essay, video, art or photo slideshow to: kelly@southern-energy.com (before Feb. 15, 2010)

Contest is open to middle and high school students in North Carolina!
